MEMBERSHIP FORM

Normally, membership is paid with the Foray fee; this Form is for those unable to participate in the Foray this time but who still wish to be part of the organization. Membership becomes effective from the time of registration to the opening day of the closest next main annual foray. So, yes, if you register between forays, your **first** membership may be very short! However, the fee is small, and you'll get a reminder. One fee covers spouse/partner and any underage children, living at same address.

Benefits of Membership

- Advance notice of Foray (last few years we have not been able to accommodate all registrants).
- Kept informed of forays and activities of FORAY NEWFOUNDLAND & LABRADOR.
- Year's subscription to OMPHALINA, the electronic newsletter/journal of FNL.
- A direct voice in how the foray is run and who runs it.
- Add your voice to the number of organized naturalists, interested in our nature.

In view of the above and other considerations that I view as benefits of membership, I wish to pay the fee and become a member of FORAY NEWFOUNDLAND & LABRADOR.
