

MEMBERSHIP FORM

Membership becomes effective from the opening day of the closest next main annual foray following payment to the opening day of the subsequent main annual foray. One fee covers spouse/partner and any underage children, living at same address. Normally, membership is paid with the Foray fee; this Form is for those unable to participate in the Foray this time but who still wish to be part of the organization.

Benefits of Membership

1. Eligible to participate in forays and other events organized by FORAY NEWFOUNDLAND & LABRADOR
2. A direct voice in how the foray is run and who runs it.
3. Kept informed of forays and activities of FORAY NEWFOUNDLAND & LABRADOR
4. Pdf file of Annual Foray Report
5. Add your voice to the number of organized naturalists, interested in our nature
6. Year's subscription to North American mushroom magazine FUNGI—mailed hard copy, one per household—and year's subscription to pdf version of: *OMPHALINA*, newsletter of FNL, and so long as publisher makes them available to us: *The Osprey*, the naturalists' magazine of NL, *Mycelium*, newsletter of Mycological Society of Toronto, and *Sporeprint*, newsletter of Mycological Society of Alberta. More may be added.

In view of the above and other considerations that I view as benefits of membership, I wish to pay the fee and become a member of FORAY NEWFOUNDLAND & LABRADOR.
